RICCA CHEMICAL COMPANY®

Facilities in Texas, Maryland, and Indiana

Product Regulatory Compliance Summary

RV020006: Verispec® Perfluorooctane sulfonic acid, Manufactured and Tested in an ISO 17025/ISO 17034 Accredited Facility

California Prop 65

This product contains one or more materials listed in the California Proposition 65 (Prop 65) list.

Perfluorooctanesulfonic acid [1763-23-1] - Carcinogen; Developmental Toxicity

Conflict or Emerging Materials

This product does not contain elements identified internationally as either Conflict or Emerging Materials.

ECCN Code

The ECCN Code for this material is EAR99.

EU Conformité Européenne (CE) Marking Status

This product is not CE Marked.

EU Medical Device Regulation (MDR) Status

This product is not regulated by or registered with the EU as a Medical Device.

Persistent Organic Pollutants (POPS)

This product contains materials known to be listed in the Persistent Organic Pollutants list.

Perfluorooctanesulfonic acid [1763-23-1]

REACH Annex XIV

This product does not contain materials listed in the REACH Annex XIV Authorisation List.

REACH Annex XVII

This product does not contain materials listed in the REACH Annex XVII Restriction List.

REACH RoHS (Annex II)

This product does not contain any restricted substances above the permissible RoHS limits as per RoHS Directives in RoHS Annex II.

REACH SVHC

This product does not contain materials known to be listed in the Substances of Very High Concern list above a concentration of 0.1% by weight.

Tariff Code - HTSC

The US Harmonized Tariff Code for this material is 3822.90.0000.

Tariff Code - SCHB

The Schedule B Export Code for this material is 3822.90.0000.

US ATF-TTB Status

This product is not regulated by the US ATF-TTB.

US DEA Status

This product is not regulated by the US DEA Controlled Substances Act.

US DOT/PHMSA Hazmat Status

This product is regulated by the PHMSA as a Hazardous Material.
UN3261, Corrosive solid, acidic, organic, n.o.s. (Perfluorooctanesulfonic acid), 8, PG II

US EPA Tier II Status

This product does not contain materials listed in either 40 CFR 302 or 40 CFR 355 and is not subject to US EPA Tier II Reporting requirements.

US EPA TRI Status

This product contains material(s) listed in 40 CFR 372 and may be subject to US EPA Toxics Release Inventory Reporting requirements.

Perfluorooctanesulfonic acid [1763-23-1] - Emission Reporting; Chemical of Special Concern

US EPA TSCA Inventory

This product only contains materials listed in the TSCA Inventory.

US EPA TSCA Section 6(h)

This product does not contain materials listed in TSCA Section 6(h).

US EPA TSCA PFAS/PFOS

This product contains material(s) classified as a PFAS by the US EPA as per TSCA Section 8(a)(7).

Perfluorooctanesulfonic acid [1763-23-1]

US FDA Medical Device Status

This product is not regulated by or registered with the US FDA.
